Technology

Strongest Quarter

Q4

Revenue Driver :

Technology generated the highest sales and profit.

Recommendation:
Increase inventory availability and prioritize marketing investments.

Customer Opportunity :

Consumer segment contributed over 50% of total sales.

Recommendation:
Introduce loyalty and retention programs.

Furniture Risk :

Furniture delivered strong sales but significantly lower profitability.

Recommendation:
Review pricing, discount strategy, and shipping costs.

Seasonal Dependence :

Q4 contributed the highest revenue.

Recommendation:
Prepare inventory and staffing plans before peak demand periods.
